### We'll get you there

We're a top 20 global network, already on the ground in over 120 countries, and have offices in every mainland state and territory in Australia.

### The specialists you need

We offer over 30 sector and service specialties, from property and construction, healthcare, professional services and many more.

### Ready for what's next

We equip our team with the vital skills to thrive in tomorrow's world, so we can guide you to success, no matter what this looks like.

### Financial Advisory and Management Accounting

Donella's expertise include financial advisory and management reporting, internal control assessment and continuous process improvement. She is able to work with her clients in different industries to be able to create and deliver management reports that help the executive team review financial data and develop strategies. Donella is also well-experienced in dealing with grant administration and advisory, grant accounting and reporting, budgeting, forecasting, process flow improvements, and liaison with different external stakeholders or funding bodies, for her clients in the non-for-profit and First Nations sector.

### Finance Team Management and Mentoring

Donella has also been engaged by her clients to help train and mentor their finance team members, particularly with industry best accounting practices. Her team is able to help assist and cover when a client's finance team is short on staff or is being filled in by new staff. Continuity of day to day finance processes, while ensuring timely Executive Management reporting and external compliance reporting, are the benefits of this service offered.

### Accounting Standards and Industry Experience

Donella has been a practicing CPA for over a decade and has been exposed to a wide range of accounting standards, such as IFRS, AASB, and US GAAP. She has combined experience in external audit, an oil and gas company, trust and hedge fund accounting, cryptocurrency, internal audit and controls, non-for-profit organisations, and First Nations organisations. Throughout her career, she has also been exposed to working around the Sarbanes -Oxley Act, AML Regulations, Trust and Fund re-domiciliation process, and KYC (Know-Your-Client) procedures.

### Software

Donella is experienced in using and exposed to several accounting and management software, including Caseware, Lawson, Oracle, SAP, Paxus, Microsoft Dynamics D365, Quickbooks, Xero, and MYOB.
