Accounting and Tax Compliance

Joseph enjoys working with his small to medium sized enterprise (SME) client base. Assisting them with their day to day accounting and tax issues. Joseph has extensive experience working on different accounting and tax software and related apps, preparation of financial and management reports, attending to client tax issues and tax audit.

Business Advisory Services

With Joseph's good relationship with his SME clients, he has become their trusted business advisor. He has assisted clients with preparation of financial projections, budgets and 3-way cash flows and availing of government grants and incentives. In addition, he has attended to preparation of business plans, review of business structures and business diagnostics. He has also attended to financial due diligence review of targeted acquisition by clients. High net worth clients also consulted him for their family constitution and business succession.

International Solutions

Joseph is also passionate about attracting investments to the NT. Actively involved with the Australia China Business Council NT. He has joined the NT government delegation in 2018 and 2019 to Shenzhen, China for the Reaching South to the Territory events. He has met foreign delegations to Darwin through connections with Austrade and DFAT and presented snapshot of how to do business in Australia. He has assisted foreign investors in setting up their business in Australia advising on structuring, debt/equity funding of investments, business set up, accounting and tax compliance.
